

JeffPro Fluid Solutions

PUMPS & PACKAGED PUMP SYSTEMS

Centrifugal Pumps

Flows to 700,000+ USGPM (160,000+ m³/h)
Heads to 1,600+ Feet (490+ M)
UL / ULC / FM / NFPA 20
NSF 61 / NSF 372
ISO • ANSI • API

Single & Two Stage Axial Split Case

Vertical In-Line

Close Coupled
Split Coupled
Double Suction
Multi-Stage

End Suction

Close Coupled
Frame Mounted
Non-Clog
Including Recessed Impeller
Including Seal-Less

Self Priming

Including Recessed Impeller
Including Seal-Less

Vertical Immersion

Including Recessed Impeller
Including Seal-Less

Submersible

Sump
Effluent
Sewage
Drainage
Dewatering
Turbine
Axial Flow • Mixed Flow
Including Recessed Impeller

Vertical Line Shaft Turbine

Axial Flow • Mixed Flow

Regenerative Turbine

Including Seal-Less

Screw Centrifugal Pumps

Flows to 6,600 USGPM (1,500 m³/h)
Heads to 180 Feet (55 M)

End Suction • Submersible
Vertical Immersion • Dry Pit

Positive Displacement Pumps

Flows to 3,000 USGPM (681 m³/h)
Pressures to 300 PSI (2,100 kPa)
UL / FM / NFPA 20

Rotary Lobe

Rotary Vane
Seal-Less

Rotary Gear

Rotary Peristaltic

Reciprocating Disc & Diaphragm

Packaged Systems (Modules)

Fire & Foam

Water Booster
Raw • Potable • Effluent

Wastewater

Sump • Effluent • Sewage / Sludge / Scum

Chemical Transfer & Metering

Filtration

Chemicals • Hydrocarbons • Gas Streams
Corrosives • Water Treatment

Engineered Fluids Handling Equipment & Systems Since 2005

Industrial & Municipal Projects Fire Protection, Water, Wastewater, and Process Fluids Pump & Filtration Applications

Oil & Gas • Chemicals • Power • Mining • Pulp & Paper
Water & Wastewater Treatment • General Industry

- cUL / FM / NFPA 20 / NFPA 11 Listed Fire & Foam Systems
- Process Waters (Raw • Saline • Sour • Potable • Plant Service)
- Reclaim • Recycle • Makeup Waters
- Process Heating & Cooling Waters
- Dewatering • Drainage • Stormwater • Flood Control Waters
- Sanitary & Process Effluents and Wastewaters
- Slurries • Sludge • Emulsions • Shear Sensitive Fluids
- Chemicals • Refrigerants • Heat Transfer Fluids
- Oils • Gasoline • Diesel • Bitumen • Propane • Butane • LPG / LNG
- Prepared Foods • Dairy • Beverages • Others
